Dear Tim,

There is a 5 day case commencing 29 September that I have been supervising on the SCL. Sch. 4/3/3

On review this morning, the parties indicated there may be some preliminary applications. I consider it best the Judge to hear the trial now be allocated, so that the parties can contact that Judge's Associate to arrange for the hearing of those applications.

You are the senior Judge in Civil that week. The other Judges are Atkinson J (already has an allocated case in the calendar), P McMurdo J (already allocated a Commercial List matter) and Flanagan J.

Could you let me know who you will allocate this case to so that my Associate may advise the parties.

Dear Tim

A copy of the forwarded email (see below) was sent to Marie for her records.

Assuming these changes to the legal arrangements proceed I will be in touch to recommend where you might stay and other practical issues.

I am to circuit in Mackay for 2 weeks starting Monday 27 October. During that sittings I will review the lists to see what might be ready for hearing and then report to you. I will also suggest to the Mackay registry officer responsible for higher court sittings (Ms Collette Smart) that she keep in contact with your Associate (and Marie).

While it is early days I would be surprised if there will be enough work to occupy more than the first week, but I will keep you informed about that.

David.

Hi Tim,

You will recall I held off settling a change of circuit arrangements with you until the doubt over the date of the Carbolic Smoke Ball (our annual law ball) resolved. It has now resolved and will be held after all on Sat 16 May 2015 – ironically the same date I had worked to in my calendar all along.

A copy of my calendar is attached for your reference.

It has you in crime in the week commencing 18 May, the week following the Ball.

As I recall the problem it is that you can only sit for the first three days of that week.

A thought: the NQLA conference is on 29-31 May at Hamilton Island. I have a Cairns criminal sittings starting immediately thereafter and see you are presently in judgments in that week.

Instead, you could fly on to Cairns after the conference and take the first week of that sittings (I could change that week to judgments for me and make some knock on adjustments to my calendar thereafter). Might that suit?

If not, just let me know when it suits you to have a chat and I can ring you and try and identify a suitable week with you.

Jim

Dear Chief Justice,

Re: Draft Calendar July 2015 – January 2016

I enclose a copy of my proposed draft calendar for the second half of 2015 together with the questionnaire circulated by Justice Byrne for the purposes of the calendar arrangements.

The provisions that I have made for circuits to Mackay and Mount Isa have been made after consultations with both Justice McMeekin and Justice Henry who will include provision for their circuits in their calendars.

The discussions I have had with their Honours and the registrars in Mackay and Mount Isa suggest that the arrangements that have been put in place for circuits will be adequate to meet foreseeable contingencies.

The calendar that I have enclosed should be regarded as provisional at least in respect to the proposed Court of Appeal sittings in Brisbane. They roughly coincide with the weeks in the year when I have sat in Brisbane in prior years. I have written to the President asking if the proposed dates are convenient. When I have heard from the President and made any final adjustments to the calendar if necessary I will advise you through your administrative assistant.

Sch.4/3/3

Sch.4/3/3

I found that sittings to be productive and as you will note I propose to sit in Townsville in late January in 2016, subject of course to any contingencies and your thoughts.

If there is anything you wish to discuss with me or clarify do not hesitate to contact me.

Yours faithfully,

Re: Draft Calendar July 2015 – January 2016

Further to my letter of 16 February 2015 I have received advice from the President of the Court of Appeal that the weeks I propose to sit in that Court in Brisbane are satisfactory to the Court of Appeal. Hi Rachel

Brett Moody is the Registrar at Toowoomba – his email is set out below. The District Court is certainly sitting for the proposed dates (between 13 April and 24 April) – as Brett states, there will not be a courtroom available for the Chief Justice.

If Justice P Lyons is to conduct the next sittings in Toowoomba, the registry will provide HH with the list so he can conduct a callover and set matters down for hearing during the circuit.

Justice P Lyons is the only judge on circuit in the fortnight commencing 27 April so if the Chief Justice wishes to sit at the same time that would not be a problem (the second courtroom would be available). Justice P Lyons will also need to determine when he wishes to go to Maryborough – it may be that the Chief Justice could sit in Toowoomba for the days HH is not in Toowoomba.

If the Chief Justice would like to sit at the same time it would be a good idea to liaise with Justice P Lyons prior to the callover. At this stage it doesn't look like it will be possible to conduct sittings beforehand.

Otherwise I have been advised that there are no judges circuiting to Toowoomba in the week commencing 11 May, which would directly follow on from Justice P Lyons' circuit.

Unfortunately the proposed dates are occupied by a dual District Court sitting, so we don't have a court room available.

I note for reference His Honour Justice Lyons is circuiting here for 9 days from 28th April conjointly with Maroochydore. Then further Her Honour Justice Lyons has a 9 day sittings here from 9 June.

I was intending to forward the list to Justice Lyons at the completion of your sittings, but I may now forward that list so he may hold a callover to list matters and determine if/when he goes to Maroochydore.

Subject: Mt Isa circuit

Hi Rachel

I just received a call from Lyn Owen regarding the proposed sittings at Mt Isa in the week commencing 10 August 2015.

As you will recall there was talk that one matter may be ready to go to trial. Lyn has spoken to the DPP who consider that it is very unlikely that the matter will be ready to go to trial at that time because there are a lot of witnesses and there will be significant difficulty in getting accommodation at that time. There are not likely to be any other matters to be heard.

Lyn advised that North J is scheduled to circuit to Mt Isa on 5 October (after the long weekend). That is scheduled to be a two week circuit. She suggested that it is more likely that the trial will be in a position to proceed at that time.

Subject: Proposed Circuit Calendar second half of 2015 - Townsville Circuit week commencing 27 July 2015

Dear Linda and Nicolas,

The Chief Justice is formulated his court circuit calendar for the second half of 2015. His Honour proposes to circuit to Townsville the week commencing 27 July 2015.

If you could please pass on the proposed circuit date to Justice North and advise me if this would be suitable to His Honour. The Chief Justice is happy to adjust the calendar if the proposed week is not suitable. Mr Chris Stackpoole, the Chief Justice's associate, will contact the Townsville Registrar once confirmation is received.

Mount Isa

The Chief Justice was looking to circuit to Mount Isa in August. Contact with the Registrar has revealed there is only one matter listed and given the logics of accommodation over the early weeks of August (Rodeo) this would not have been an optimum time. His Honour notes that Justice North is circuiting in the week commencing October 5 when the matter which is currently listed may be in a position to proceed. Given these circumstances Mount Isa will not form part of the Chief Justice's 2015 circuit. If you could also pass this information on to Justice North.

Thank you for your assistance and please do not hesitate to contact me if you require any further information.

Unfortunately, the Chief Justice will not be undertaking circuit in Mt Isa in the second half of 2015. Unfortunately the proposed dates are occupied by a dual District Court sitting, so we don't have a court room available.

I note for reference His Honour Justice Lyons is circuiting here for 9 days from 28th April conjointly with Maroochydore. Then further Her Honour Justice Lyons has a 9 day sittings here from 9 June.

I was intending to forward the list to Justice Lyons at the completion of your sittings, but I may now forward that list so he may hold a callover to list matters and determine if/when he goes to Maroochydore.

Subject: RE: Toowoomba circuit reschedule

Hi Rachel

Brett Moody is the Registrar at Toowoomba – his email is set out below. The District Court is certainly sitting for the proposed dates (between 13 April and 24 April) – as Brett states, there will not be a courtroom available for the Chief Justice.

If Justice P Lyons is to conduct the next sittings in Toowoomba, the registry will provide HH with the list so he can conduct a callover and set matters down for hearing during the circuit.

Justice P Lyons is the only judge on circuit in the fortnight commencing 27 April so if the Chief Justice wishes to sit at the same time that would not be a problem (the second courtroom would be available). Justice P Lyons will also need to determine when he wishes to go to Maryborough – it may be that the Chief Justice could sit in Toowoomba for the days HH is not in Toowoomba.

If the Chief Justice would like to sit at the same time it would be a good idea to liaise with Justice P Lyons prior to the callover. At this stage it doesn't look like it will be possible to conduct sittings beforehand.

Otherwise I have been advised that there are no judges circuiting to Toowoomba in the week commencing 11 May, which would directly follow on from Justice P Lyons' circuit.

Also if P Lyons J is sitting in Maroochydore from 28/4/15 whilst His Honour is in Maroochydore then Toowoomba will be free??

Hi Rachel

I have spoken to the Registrar at Roma, Paul Jackson, and he has advised that there is no issue with conducting a sitting on 4 and 5 May. A jury panel will not be called as it looks like the three criminal matters on the list will proceed to sentence. In the case that the matters are listed elsewhere and there is no other business for the Supreme Court there, however, the circuit may need to be cancelled.

Paul advised that the week commencing 4 May is the week of the rural show at Roma, so it would be best to book accommodation ASAP.

Dear Chief Justice,

Just received this memo at 10:15am 6/3/15.

LONG LEAVE APPLICATION

I advised Kelly when she delivered it that this office has never received, as far as I could ascertain, a long leave application for the President for one week period commencing 11 May 2015. Kelly was going back to check her records. She has checked and there is no record of this week been applied for. Kelly will bring this to the President's attention.

CAIRNS CoFA

Chief Justice you were wanting to sit to assist the Trial Division the week you are travelling to North Queensland for the NQLA Conference in place or original week you were scheduled (wedding week). As the CoFA is sitting there is no court room available for you to do that.

You would not be able to sit on the Friday as that is the day you are giving you speech to the conference.

SECOND HALF 2015 CALENDAR

As discussed with Tracy and Paul re second half of 2015 – we will program CoA weeks as 3-2-3, I will block out the actual days this pattern falls on in your diary, once they are known and that will not be until closer to the time, thus impossible to block out the actual days three months in advance from what Tracy and Paul have advised. I will be mindful of setting any appointments in the weeks you sit in CoA but the nature of your important position does not allow that on a practical basis.

Tracy and Paul are aware they will be receiving your second half 2015 calendar in the next few days once circuits are confirmed.

ACTING GOVERNOR

Chief Justice as you know better than I, Acting Governor dates are not known in advance until the Governor advises. I have no dates advised in the second half of the year but I can make inquiries if you wish to see if there are any conflicting dates with the weeks you wish to sit in the Court of Appeal in the second half of the 2015.

I could arrange a meeting with Angela and Tracy further about how difficult it would be to swap a Trial Division judge for you at late notice if you were called upon to act as Governor during CoA dates that have been set for second half of 2015 and if they would need to make considerations for this occurring when they are developing the calendars for the President and SJA.

Hi Rachel

In regards to your telephone call earlier today. So my understanding is that the court of Appeal may be sitting in Brisbane and the parties appearing in the appeal will be in Cairns. I wish to confirm that there are video conference facilities at the Cairns Courthouse. There are facilities in Supreme Court 1, District Courts 2 and 4, plus mobile trolleys and also in a Magistrates Court.

A video conference can be conducted between the Court of Appeal and Cairns.

We could advise you of the video conference numbers when required and a video conference test should be conducted the day before it is required.

Tom
Dear Chief Justice,

Re: The Northern Circuits - 2015

My associate passed on to me the emails sent by your executive assistant.

MOUNT ISA

The current listing will be manageable during my circuit to Mount Isa in the week commencing October 5. If the listings going forward are not heavy it is possible to "pull" matters up from the District Court lists to fill up a sitting week. Perhaps we can suggest a sittings in 2016 when Jim Henry and I are looking at the lists and reviewing the sittings for next year?

MACKAY

The dates do not clash with any sittings of mine. It may be that either the Central or Far Northern Judges may be affected. I will leave that for them. It is also wise to check courtroom availability with the registry there because of District Court sittings.

TOWNSVILLE

As to your proposed sittings in Townsville in July the week is not inconvenient to myself in the sense that I will be sitting in Brisbane in the Court of Appeal that week. [REDACTED]

Sch. 4/3/3

Sch.4/3/3

Returning to the question of the circuit to Townsville, if that week is to be confirmed, you might like to let me know what work I can set about targeting for that week. I am confident there would be sufficient from the criminal list and also in applications jurisdiction to keep you occupied.

D.O. North
Yours sincerely,

D.O. North
The Hon. Justice D.O. North
Northern Judge

P.S. For your information, attached is a copy of my "draft" calendar for July-December 2015. I expect this will be finalised soon by the SJA.
