Dear Duncan, David and James,

Sch.2/2(1)

Sch.2/2(1)

I propose to arrange a meeting of the Judges tomorrow, during the luncheon adjournment period, to consider the resolutions on the attached draft. As the subject of the resolutions directly concerns the Chief Justice and the SJA, I propose that the next senior Judge, Atkinson J if she is available, convene and chair the meeting.

I was able to personally discuss my proposal with each of the Judges of the Trial Division in Brisbane yesterday afternoon, except for Burns J and Thomas J. I will attempt to speak to each of them this morning. I will also call each of you to discuss it. I also propose to approach the Chief Justice this morning, to inform him of my proposal and to invite him to participate.

Regards

David Jackson

I have spoken to all our colleagues on the Trial Division, except North J who has not yet responded to my message or call, and Thomas J who I am following up this morning. All are generally in favour of the resolutions. Two think resolution 2 is unnecessary.

I propose that the meeting be tomorrow at 1:15 pm and chaired by you as the senior Judge of the Trial Division who is not the subject of any of the proposed resolutions.

What do you think?

I'll be back on Thursday.

I may not be able to go down to Sydney if my jury hasn't returned anyway.

I'll make inquiries about the number to ring in on if I am down there.

Kind regards,

Dear Chief Justice and Judges,

As most of you are aware (and my apologies to those with whom I have not been able to raise the question personally yesterday afternoon or this morning) I am proposing that there be a meeting of Judges to consider proposed resolutions in accordance with the draft that I attach. I propose that the meeting be at 1:15 pm tomorrow in the Judges' Meeting Room. That will enable the regional Judges to attend by video or audio link, if they are available.

I have not yet spoken to the Chief Justice, Justice Wilson, Justice North or Justice Thomas, but will seek to meet with or talk to them asap.

However, I did not consider that I could defer nominating the time for the meeting any later as you all have your own arrangements. In my view, something must be done immediately about the current situation in respect of proposed resolutions 3 and 4, and resolutions 1 and 2 are of such general importance that they should not be put off. Secondly, I am aware that some of the most important participants are otherwise engaged next week.

I would suggest that Atkinson J, as the Senior Judge not directly involved in the proposed resolutions, should take the Chair.

Yours faithfully

David Jackson

Margaret

In my view, there is no reason why the Court of Appeal Judges should not do so, in particular about Resolution 1 or Resolution 2. However, I have consulted all the Judges of the Trial Division and the Chief Justice so far on the basis that those I had invited were the Judges of the Trial Division and the Chief Justice. I did so because I was concerned that if there were any dispute about Proposed Resolutions 1 or 2 some of the Judges of Appeal may be concerned as to whether they should participate. Perhaps mistakenly, I took the view that there might not be enough time to resolve any question of that kind.

At this time, I have invited all the Judges of the Trial Division and the Chief Justice for the meeting at 1:15 pm tomorrow and spoken to each of those Judges and the Chief Justice of my reasons for doing so (except for North J who was unavailable and Wilson J who I have communicated with by email). I should add that I informed the Chief Justice that I had communicated with the members of the Trial Division (except for North J) and did not mention any involvement of the members of the Court of Appeal.

Dear David

The first two resolutions you propose are plainly relevant to the whole of the Court. It is arguable that the matters in the third and fourth resolutions are linked to the matters raised by first two resolutions.  
Is there some reason why the Court of Appeal judges should not attend this meeting?

Best wishes

Sch.4/3/3, s.49(1)

As to 4, in my view, it requires no explanation.

I discussed the resolutions and situation in general with the CJ yesterday and our meeting was cordial and appropriate. He said he did not think he would come to the meeting but appreciated that I had come to see him and had invited and asked him to come to the meeting.

I will see you over the video at 1:15.

Dear David

Thank you for your email.

The minutes of the meeting which I sent to you yesterday, under the heading Resolution 2, record that:

"As a preliminary matter, Atkinson J moved:

**That the second proposed resolution be put to the vote.**

Motion carried"

I recall that you voted against that procedural motion. The minutes accurately record that motion as being carried but do not say that it was carried unanimously.

I took a separate vote on each of the proposed Resolutions 1 to 4 and I asked each of those who attended by video link or telephone how they voted. The votes were compiled by the minute taker and noted by at least one other Judge.

As to Resolutions 1 to 4, no one at the meeting voted against any of those motions. There were some Judges who abstained on resolutions.

I understand that the conventional way of recording a resolution where there are no votes cast against it is as carried unanimously: see for example, Renton, *Guide for Meetings and Organisations*, 6 ed, vol 2, par [8.20].

Thanks you for your response. I hope that this clarifies the matter for you.
