

Parolee statistics

Information is obtained from the Integrated Offender Management System (IOMS) extracted on 30 April 2015.

Scope of report

Part 1

Total number of offenders on parole, by Probation and Parole Office, as at 31/03/2015.

Note, in Part 1, if an offender has more than one parole order active as at 31/03/2015, the offender is only counted once in Part 1.

Part 2

Offenders on parole, by Probation and Parole Office and most serious offence, as at 31/03/2015.

Note, in Part 2, if an offender has more than one parole order active as at 31/03/2015, the most serious offence for each order is listed (i.e. the total number of offenders in Part 1 will not be the same as the total number of orders by most serious offence in Part 2).

Note, data is limited to offenders on parole, and hence only includes the following order types:

- * Commonwealth License*
- * Court Ordered Parole*
- * I/S Parole/Licence*
- * Qld Parole*
- * Qld Parole Reg. From I/S*

Note, the data excludes orders with the following status as at the given date:

- * Deleted*
- * Cancelled*
- * Draft*
- * Suspended*
- * Pending Completion*

Use or disclosure of information in this report is governed by Corrective Services' Code of Conduct and relevant legislation.
