Subject: Request for TrueCrypt Passcode

Ashley,

As discussed, can you please send me the password to access the TrueCrypt disc for FR1087002?

Thanks very much!

Regards,

Steven Baso

Instructions to access TrueCrypt encrypted '.tc' files:

1. A password is required to open this file.
2. Please request this password via email to EEEU staff at 'SCOC EEEU FARNET' and include the job number for example ~~FR893456~~ **FR1087002**
3. Make sure TrueCrypt version 7 is installed on the computer. Any other versions do not work.
4. If not installed download this file from the Internet at <http://www.truecrypt.org/downloads>, if the truecrypt exe file is not included on the reports DVD.
5. Please obtain assistance from your IT Support staff if you cannot install this application.
6. Once TrueCrypt is installed and you have received the password, the '.tc' file can now be opened.
7. Double click on the '.tc' file.

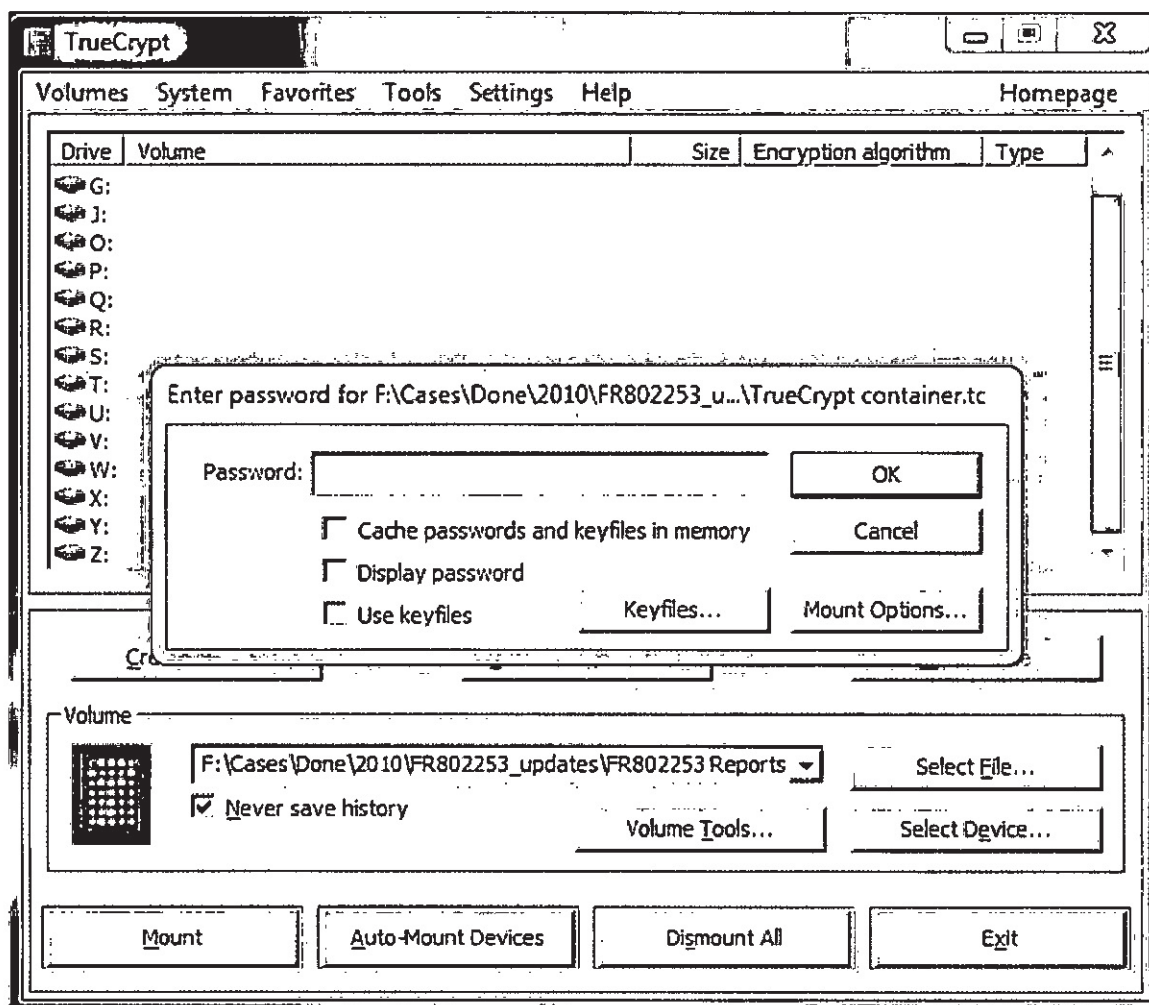

Field property receipt : F 727332

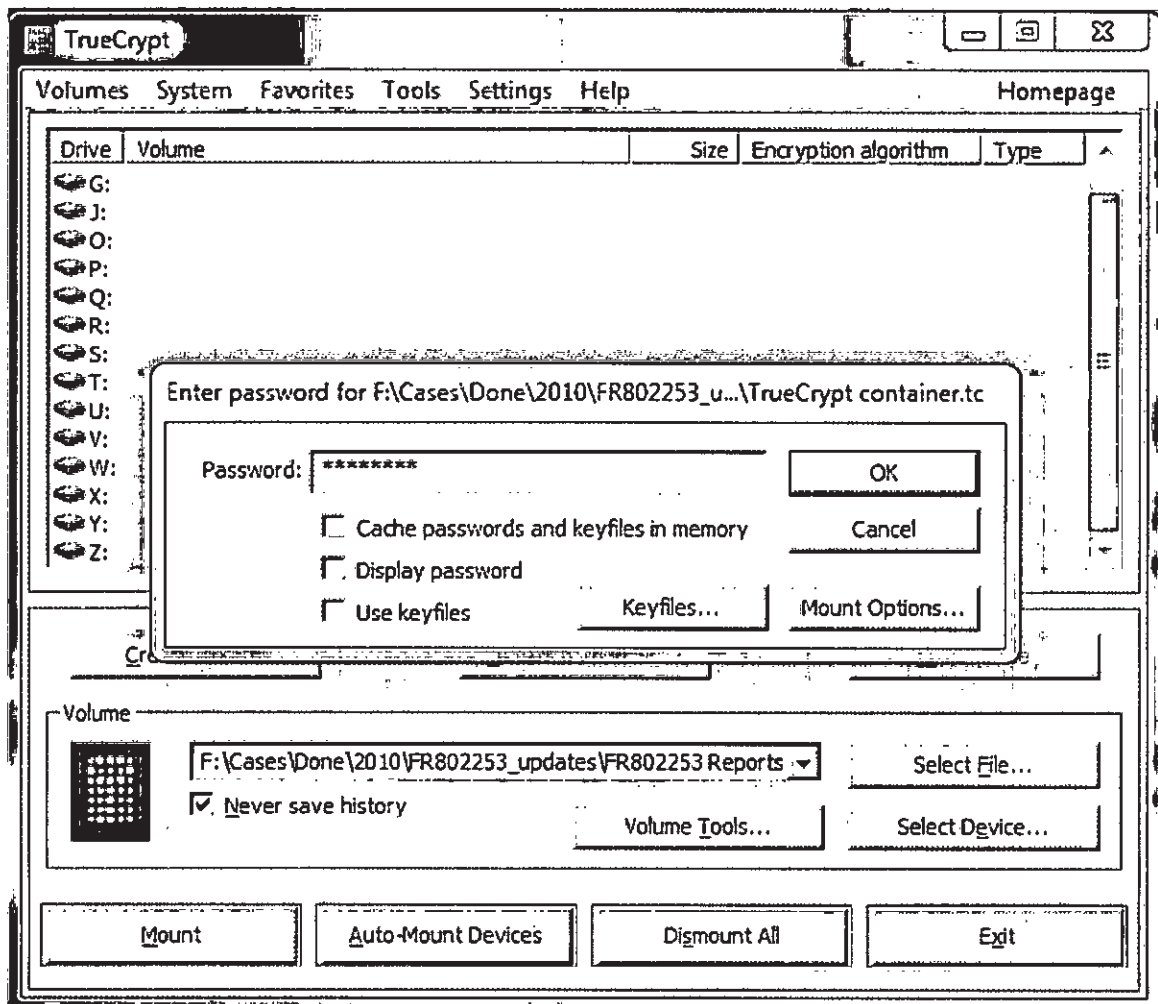

8. You will get the following screen:

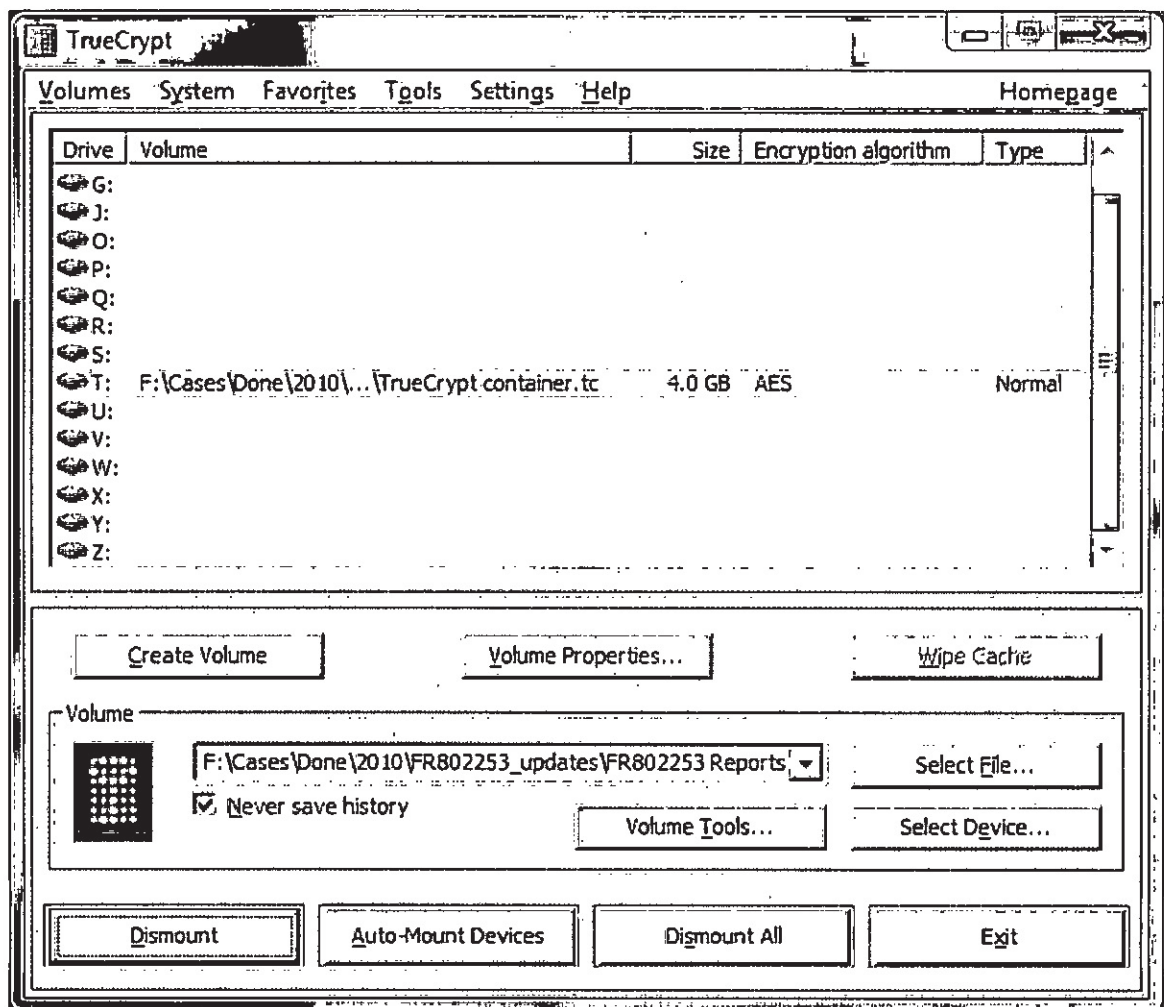

9. Make sure a drive letter is selected which is still available for example 'T:'
10. Click on the 'Mount' button.
11. You will get the following screen and asked to type in the password

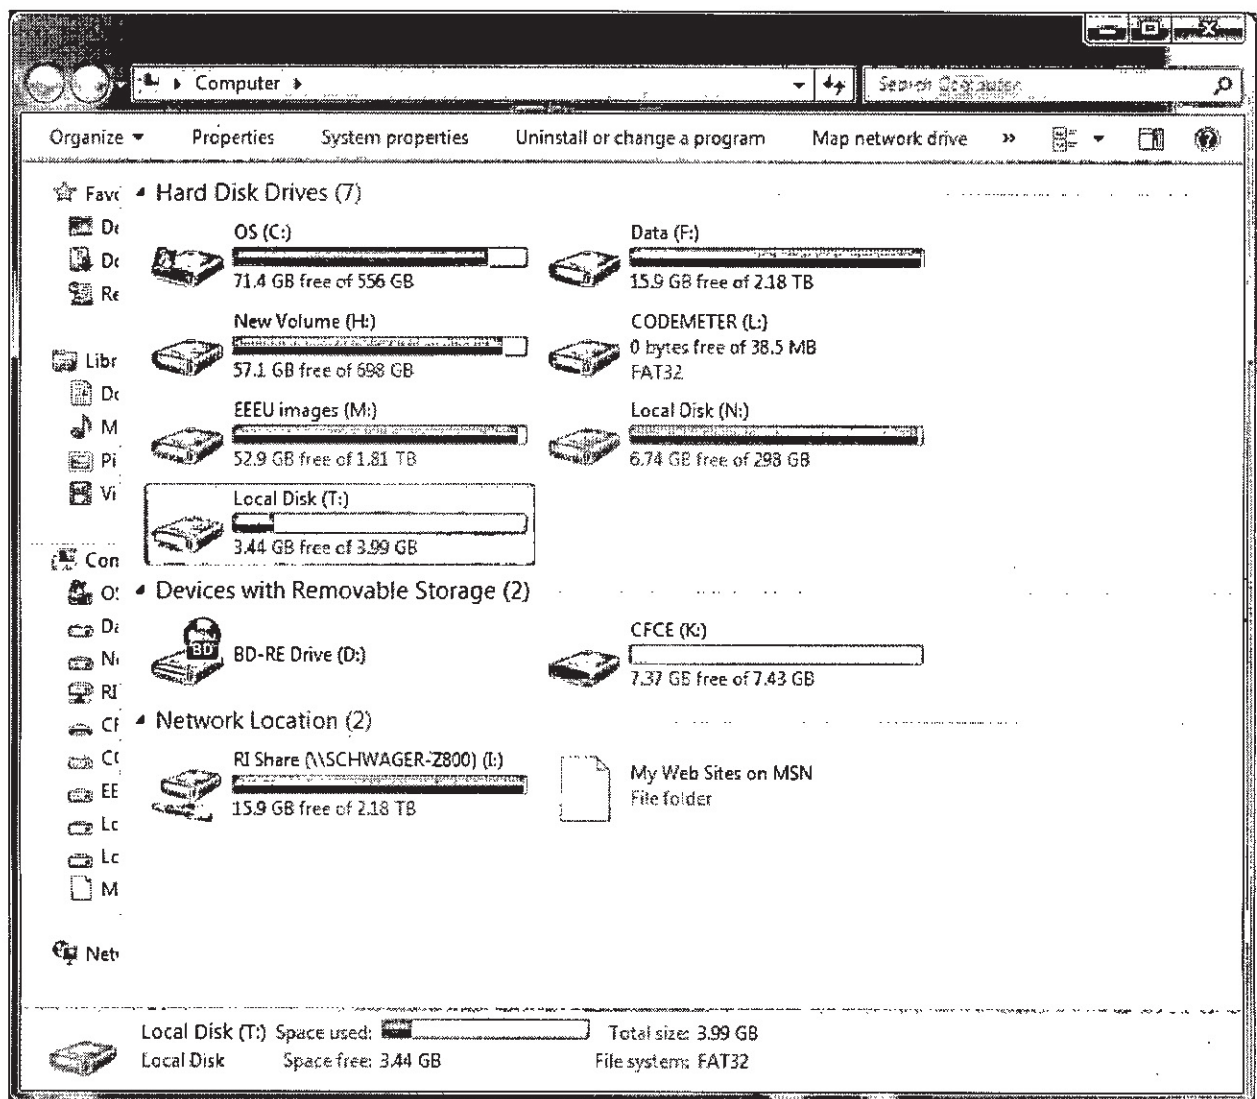

12. Type in the password and press the 'OK' button.

13. You should now get a screen similar to the one below (the drive letter and path should be different)

14. Go to 'Computer' and click on it. You should now see a drive with the letter assigned to the truecrypt container (in this example 'T:').

15. Double click on this drive and you should now see the reports.
