

Direct debit request service agreement for the transfer of funds by Queensland Treasury

1. **Direct debit arrangement** – Queensland Treasury will debit your account for the amounts that you are required to pay to the Commissioner of State Revenue under any of the following revenue laws: -

*Duties Act 2001,
Pay-roll Tax Act 1971,
Taxation Administration Act 2001,*

on the due date for payment of the amounts to the Commissioner of State Revenue under the revenue laws or, if you have entered into a payment arrangement with the Commissioner, under the terms of that arrangement. The amount to be debited may include any amount of tax, unpaid tax interest or penalty tax assessed or imposed under the revenue laws.

2. **Direct debit on non-business days** – If the day that your account would normally be direct debited falls on a day that is not a business day (i.e. weekends and national public holidays), then your account will be debited on the next business day.
3. **Sufficient cleared funds available in relevant account** – It is your responsibility to have sufficient clear funds available in your account by the due date, to permit payment of debit items according to your Direct debit request. If a debit in accordance with your Direct debit request is returned unpaid by your financial institution we will notify you immediately. Unless you make arrangements so that this payment is effective on the due date for payment:
 - (a) you will be in breach of the revenue laws and, if applicable, the terms of your payment arrangement with the Commissioner,
 - (b) additional unpaid tax interest and penalty tax may be imposed under the revenue laws and action may be taken to recover outstanding amounts; and
 - (c) you will be responsible for any charges your, or our, financial institution, may levy for rejection of the debit against your account.
4. **Variation to direct debit arrangement** – Queensland Treasury can vary the terms of this direct debit arrangement by giving you at least **30 days** notice of the proposed variation.
5. **Cancellation of direct debit arrangement** – If you wish to cancel a Direct debit request you must give us at least **14 days** prior notice, in writing. You should contact us (not your financial institution) to give this notice. The notice should be posted to Office of State Revenue, GPO Box 2593, Brisbane QLD 4001.
6. **Change of account** – If you wish to replace a Direct debit request because there has been a change to your account, you need to give us a new Direct debit request at least **14 days** before the date on which you wish the new instruction to take effect. The existing Direct debit request will terminate 14 days after receipt of your new Direct debit request. Written correspondence should be posted to Office of State Revenue, GPO Box 2593, Brisbane QLD 4001.
7. **Dispute resolution** – If you dispute any debit to your account pursuant to the Direct debit request, you should first direct your query to the Office of State Revenue, by phoning 1300 300 734. Please state that you have a query regarding a Direct debit request. If you prefer to lodge your query in writing it should detail the specifics of your dispute and provide information about your existing Direct debit request. Written correspondence should be posted to Office of State Revenue, GPO Box 2593, Brisbane QLD 4001.
8. **Privacy** – The information you provide on the Direct debit request will only be used by Queensland Treasury for the purpose intended. We will take reasonable precautions to maintain the confidentiality of your records and account details. Note, however, that our financial institution may require such information to be provided in connection with a claim made on it relating to an alleged incorrect or wrongful debit.

Extra Holes Decide 2006 Roadcon Group Queensland Open

As part of the Von Nida Tour, the Queensland Open was the third of four Von Nida Tour events in Queensland throughout October and November. Tournament prize money for the Roadcon Group Queensland Open stood at \$150,000.

The Queensland Open was first played in 1925 and many of Australia's most outstanding golfers have since won the title. Jim Ferrier, Kel Nagle, Greg Norman, Ian Baker-Finch and David Gráham are all players who won the Queensland Open before becoming major championship winners.

This is the second year the Roadcon Group has sponsored the Queensland Open which was held at the Ipswich Golf Club on 26-29th October. Managing Director of the Roadcon Group, Andre Agterhuis said "It is with great pleasure the Roadcon Group are able to support an event so steeped in proud history".

In an ongoing relationship, the Roadcon Group and the Ipswich Golf Club will transform the existing Ipswich Golf Course and create a new championship course and golfing facility. Under the agreement, eleven new holes will be built and seven existing holes will be remodelled by Roadcon. In addition part of the existing course will be set aside for residential development to be undertaken by the Roadcon Groups' Queensland Property Development Division.
