- Notes:**
- Escapes is defined as: where a prisoner who is without authority removed him/herself from a place of lawful confinement or other approved place, includes a person who escaped from a Work Camp/WORC or a Community Corrections Centre.
 - Above data includes the following escape categories:
 - Low custody escape: escapes by prisoner from an open prison facility regardless of weather or not there was a breach of a physical barrier.
 - Other escapes:
 - 'walks offs' by a prisoner from a work camp, outstation or community corrections centre, and
 - escapes by prisoners while outside a prison facility under custodial supervision, but not under direct one-to-one supervision.
 - Other escape **does not include** prisoners on unescorted leave e.g. approved leave of absence or release to work who fail to return or is absent from his/her designated place.
